

HAVAL

H2

Who is HAVAL?

Built for the world by the world

HAVAL is one of the world's largest specialist SUV companies. With over 5 million owners, HAVAL is the No.1 SUV brand in the world's largest auto market – China, and has been for the last 16 years.

Our philosophy is simple – employ the best people, use the best technology and suppliers in the world and utilise high precision robots for consistent quality. No wonder HAVAL SUVs are recognised for their style, features, build quality and deep lustrous paintwork.

When you invest in a HAVAL, you can be confident that it's been designed with care, built with pride and engineered to last.

We look forward to welcoming you to the HAVAL family.

The new HAVAL H2

The new HAVAL H2 with its dynamic exterior and styling refinements is ready to take you anywhere. With its sophisticated SUV suspension providing outstanding maneuverability, handling and comfort in all conditions.

Smart, practical and stylish.

At Haval we understand life can be stressful. The Haval H2 is designed to minimise stress, with the ease of access, the high equipment levels and the clever use of space, coming together to make your journey comfortable and enjoyable.

Spacious interior

60/40 split rear folding seats

Generous rear cargo area

LUX model shown

The new Haval H2 loves life as much as you do with its sporty good looks and spirited 1.5L turbo engine, you'll enjoy the drive wherever it takes you.

Easy on the eye.

Designed with a bold front grill, LED running lights and new twin rear exhaust panels, the Haval H2 is vibrant, stylish and full of personality. Whether it's a quick trip to the gym, shopping for a new outfit or a weekend away at a winery, you'll be safe, comfy and right at home in your new H2.

Panoramic sunroof & optional two-tone interior (LUX model)

Daytime running lights

Designed for you.

With soft touch materials, key-less entry, push button start and Apple CarPlay™, the H2 is designed to make life easy and keep you comfortable and connected.

Behind the wheel you'll notice the comfortable upright driving position giving you maximum vision of the road ahead, and the logical placement of switches and controls make for easy driving.

With Haval's ergonomic humanistic approach to design, the H2 is one of the easiest SUVs to access and drive. By designing the seats at an average hip-height provides easy ingress and egress, so there's no awkward climbing as is often the case with many SUVs on the market.

*Apple CarPlay™ functionality requires iPhone 5 or above. Apple® and iPhone® are registered trademarks of Apple Inc.

H2 Interior - LUX model

Relax you're in safe hands.

The HAVAL H2 has a full suite of active and passive safety features built into its strong passenger cell.

Airbags deploy immediately to reduce impact forces and minimise the potential for injury. Full-length side curtain airbags provide additional protection for rear-seat passengers.

The perfect combination of reversing sensor and reversing camera provides you with accurate information when reversing out of driveways or car parks.

Front dual, front dual side and integrated side curtain airbags.

The Bosch ESP (Electronic Stability Program) keeps the H2 on your chosen path and helps prevent slipping and skidding.

The Tyre Pressure Monitoring System (TPMS) constantly monitors tyre pressures for optimum performance and economy.

Electronic Stability Program (ESP)

Turbo power and a smooth ride.

Equipped with a 4-cylinder 1.5L turbo-charged engine matched to a 6-speed auto, the Haval H2 has ample power while remaining economical.

Designed with superior road comfort and due to its SUV suspension the H2 feels solid and secure on the road.

Engine	1.5L Turbo
Fuel Type	Petrol
Displacement (L)	1.497
Rated power/engine speed (kW/rpm)	110/5600
Maximum torque/engine speed (Nm/rpm)	210/2200-4500
